## Heavy rain bringing some flooding and travel disruption

### What to expect

- Spray and flooding on roads probably making journey times longer
- Bus and train services probably affected with journey times taking longer

### Further details

Rain will become heavy and persistent during Monday afternoon and evening. 25-35 mm will fall quite widely, with as much as 50-60 mm in the wettest spots. The rain will be accompanied by strong southerly winds. The rain should clear to the east by midnight.

What should I do?
Give yourself the best chance of avoiding delays by checking road conditions if driving, or bus and train timetables, amending your travel plans if necessary.
